### Description

Just when you thought you had seen it all with the launch of the next-generation TMAX, Yamaha have raised the bar yet again in the Sports Maxi Scooter class.

This is the machine that blurs the boundaries between sports motorcycles and luxury scooters. Dressed in dynamic angular bodywork and powered by a high-torque fully-automatic 530cc 2-cylinder engine, the TMAX looks, feels and goes like nothing else on wheels.

Featuring exclusive matt black and shiny black duo-tone bodywork complemented by gold detailing to the wheels, engine and body, the all-new TMAX BLACK MAX is aimed at those riders who demand the very best.
